

ICBC: Involved in a motor vehicle accident

If you have been injured in a motor vehicle accident involving a vehicle registered and insured in BC you will have coverage for physiotherapy treatment through ICBC.

WCB: workplace injuries

If you have hurt yourself at work, we can help you with your recovery and get you back to work more quickly.

Private: extended health plan

Vital Physiotherapy services are covered by most health care plans; most pay 80-100% of the fees. In most circumstances, we can bill your insurance company on your behalf, so there is minimal out of pocket fees.

MSP: Low income and senior clients

If you receive premium assistance through MSP then your physiotherapy will most likely be covered, for a small user fee. Many seniors are also covered for physiotherapy through MSP.
